Copy 3 of 84

6 November 1958

MEMORANDUM FOR THE RECORD

SUBJECT: Disposition of Mockup, Project CORONA

1. The purpose of this memorandum is to document the files concerning instructions issued to Lockheed Missile Systems Division concerning disposition of subject mockup.
2. The Contracting Officer received a verbal request from [redacted] LAC, for disposition instructions of a wooden mockup of the payload section of the CORONA vehicle.
3. The Contracting Officer coordinated with Mr. Kiefer and the Director of Material and in light of no objections or requirement for retention from these people, authorized the Contractor to destroy the mockup and to dispose of the scrap.
